

# Jonathan Frankel

Vice President

Jonathan Frankel serves as Vice President of New Urban West, Inc. a privately held real estate development firm where he has managed the acquisition, design, and entitlement of over 2,600 residential units throughout Southern California. Jonathan is also responsible for development and implementation of community outreach and government affairs strategies across all company projects and regularly engages elected officials, community leaders, and residents on issues related to housing and housing policy.

Jonathan is a licensed attorney specializing in land use issues and formally served as a legislative aide in the California State Senate and in various roles in State, Local and Regional Government. He currently serves as Chair of the Mission Valley Planning Group and is a member of the Urban Land Institute.
